RECITALS

A. WHEREAS the Proceedings were commenced by the BC Plaintiffs in British Columbia, the Quebec Plaintiffs in Quebec and the Ontario Plaintiffs in Ontario and the Plaintiffs claim class-wide damages allegedly caused as a result of the conduct alleged therein;

B. WHEREAS the Proceedings allege that some or all of the Releasees participated in unlawful conspiracies to fix, raise, maintain and/or stabilize the prices for the Alleged Parts sold in Canada and elsewhere during the Class Periods, contrary to Part VI of the *Competition Act*, RSC 1985, c C-34 and the common law and/or the civil law;

C. WHEREAS the Releasees do not admit, through the execution of this Settlement Agreement or otherwise, any allegation of unlawful conduct alleged in the Proceedings, or in any Other Actions, and otherwise deny all liability and assert that they have complete defences in respect of the merits of the Proceedings and any Other Actions or otherwise;

D. WHEREAS the Plaintiffs, Class Counsel and the Settling Defendants agree that neither this Settlement Agreement nor any statement made in the negotiation thereof shall be deemed or construed to be an admission by or evidence against the Releasees or evidence of the truth of any of the Plaintiffs' allegations against the Releasees, which allegations are expressly denied by the Releasees;

E. WHEREAS the Settling Defendants are entering into this Settlement Agreement in order to achieve a final and nation-wide resolution of all claims asserted or which could have been asserted against the Releasees by the Plaintiffs and the Settlement Classes in the Proceedings and any Other Actions, and to avoid further expense, inconvenience and the distraction of burdensome and protracted litigation;

F. WHEREAS the Settling Defendants do not hereby attorn to the jurisdiction of the Courts or any other court or tribunal in respect of any civil, criminal or administrative process except to the extent they have previously done so in the Proceedings and as is expressly provided in this Settlement Agreement with respect to the Proceedings;

G. WHEREAS Counsel for the Settling Defendants and Class Counsel have engaged in arm's-length settlement discussions and negotiations, including with the assistance of a mediator, resulting in this Settlement Agreement;

H. WHEREAS as a result of these settlement discussions and negotiations, the Settling Defendants and the Plaintiffs have entered into this Settlement Agreement, which embodies all of the terms and conditions of the settlement between the Settling Defendants and the Plaintiffs, both individually and on behalf of the Settlement Classes the Plaintiffs seek to represent, subject to approval of the Courts;

I. WHEREAS Class Counsel, on their own behalf and on behalf of the Plaintiffs and the proposed Settlement Classes, have reviewed and fully understand the terms of this Settlement Agreement and, based on their analyses of the facts and law applicable to the Plaintiffs' claims, having regard to the burdens and expense associated with prosecuting the Proceedings, including the risks and uncertainties associated with trials and appeals, and having regard to the value of the Settlement Agreement, have concluded that this Settlement Agreement is fair, reasonable and in the best interests of the Plaintiffs and the proposed Settlement Classes;

J. WHEREAS the Parties therefore wish to and hereby finally resolve on a national basis, without admission of liability, all of the Proceedings and any Other Actions as against the Releasees;

K. WHEREAS the Parties consent to certification or authorization of the Proceedings as class proceedings, and to the Settlement Classes, and to the Common Issues and the Class Periods in respect of each of the Proceedings solely for the purposes of implementing this Settlement Agreement in a coordinated and consistent manner across Canada and contingent on approvals by the Courts as provided for in this Settlement Agreement, on the express understanding that such certification or authorization shall not derogate from the respective rights of the Parties in the event that this Settlement Agreement is not approved, is terminated or otherwise fails to take effect for any reason;

L. WHEREAS the Plaintiffs assert that they are adequate class representatives for the Settlement Classes they seek to represent and will seek to be appointed as representative plaintiffs in their respective Proceeding(s);

M. WHEREAS Class Counsel will be bringing a motion to remove NILRU, Inc. as a plaintiff in the applicable Ontario Actions;

N. WHEREAS the Parties intend to pursue the approval of this Settlement Agreement first through the Ontario Court;

3.2 Taxes and Interest

(1) Except as hereinafter provided, all interest earned on the Settlement Amount in the Trust Account shall accrue to the benefit of the Settlement Classes and shall become and remain part of the Trust Account.

(2) Subject to Section 3.2(3), all taxes payable on any interest which accrues on the Settlement Amount in the Trust Account or otherwise in relation to the Settlement Amount shall be paid from the Trust Account. Ontario Counsel or the Claims Administrator, as appropriate, shall be solely responsible to fulfill all tax reporting and payment requirements arising from the Settlement Amount in the Trust Account, including any obligation to report taxable income and make tax payments. All taxes (including interest and penalties) due with respect to the income earned by the Settlement Amount shall be paid from the Trust Account.

(3) The Settling Defendants shall have no responsibility to make any filings relating to the Trust Account and will have no responsibility to pay tax on any income earned on the Settlement Amount or pay any taxes on the monies in the Trust Account, unless this Settlement Agreement is not approved, is terminated, or otherwise fails to take effect for any reason, in which case the interest earned on the Settlement Amount in the Trust Account or otherwise shall be paid to the Settling Defendants who, in such case, shall be responsible for the payment of all taxes on such interest not previously paid by Ontario Counsel or the Claims Administrator.

3.3 Intervention in the U.S. Litigation

(1) The Settling Defendants and other Releasees shall not oppose any application that may be brought by or on behalf of the Plaintiffs to intervene in the U.S. Litigation in order to gain access to discovery documents and other documents and information subject to a protective order that are relevant to the Proceedings and is not otherwise inconsistent with the terms of this Settlement Agreement, including Section 4.1(19). However, it is understood and agreed that neither the Settling Defendants nor the other Releasees have any obligation to bring or otherwise participate in such an application.

SECTION 4– COOPERATION

4.1 Extent of Cooperation

(1) In return for the release and discharge provided herein, in addition to the Settlement Amount, the Settling Defendants agree to provide, at such time as Class Counsel and the Settling Defendants may reasonably agree, the cooperation as set forth in this Section 4.1. All such cooperation shall occur in a manner that is in compliance with the Settling Defendants' obligations to any Government Entity. The Settling Defendants shall not be required to provide documents or information protected by solicitor-client privilege, litigation privilege, the attorney

work product doctrine, any applicable privilege under foreign law, or whose disclosure is prohibited by court order, any foreign or domestic law, or by a Government Entity. Should the Settling Defendants withhold any materials pursuant to the foregoing sentence, Counsel for the Settling Defendants will inform Class Counsel and will describe the basis for such withholding to the extent permissible under applicable law. In the event that the basis for withholding the documents is no longer valid, the Settling Defendants shall produce such documents within the later of: (i) the timelines provided for under this Section 4.1; and (ii) thirty (30) days of the basis for withholding the documents becoming no longer valid.

(2) The scope of the Settling Defendants' obligations to cooperate under this Settlement Agreement as set out in this Section 4.1 is limited to: (i) only those Proceedings (and the Alleged Parts which are the subject of those Proceedings) which, at the time of the delivery of the cooperation specified herein, are ongoing against one or more Non-Settling Defendants; and (ii) the allegations asserted in those Proceedings as presently filed, and does not include providing information relating to other Automotive Parts manufactured or sold by the Settling Defendants and/or Releasees. The cooperation shall be made available to Class Counsel in the applicable Proceeding. Notwithstanding the foregoing, in the Proceedings in which there is no BC Action and/or Quebec Action, the cooperation shall also be made available to Camp Fiorante Matthews Mogerman LLP and/or Siskinds Desmeules s.e.n.c.r.l., as applicable, to the extent that Camp Fiorante Matthews Mogerman LLP and/or Siskinds Desmeules s.e.n.c.r.l. are assisting Ontario Class Counsel in the prosecution of that Proceeding.

(3) Within thirty (30) days from the Date of Execution, or such other time period as Class Counsel and the Settling Defendants may reasonably agree, Counsel for the Settling Defendants will meet with Class Counsel in Toronto, Ontario, to provide an oral evidentiary proffer which will include non-privileged information originating with the Settling Defendants relating to the allegations in the Proceedings. The proffer shall not exceed two (2) business days and shall focus on Defendants and/or Proceedings identified by Class Counsel in advance. In addition, within sixty (60) days from the Effective Date, or such other time period as Class Counsel and the Settling Defendants may reasonably agree, Counsel for the Settling Defendants will meet with Class Counsel in Toronto, Ontario, to provide an additional oral evidentiary proffer which will include non-privileged information originating with the Settling Defendants relating to the allegations in the Proceedings. The additional proffer shall not exceed five (5) business days.

Counsel for the Settling Defendants shall make themselves available for reasonable follow-up questions by Class Counsel. Notwithstanding any other provision of this Settlement Agreement, and for greater certainty, it is agreed that all statements made and information provided by Counsel for the Settling Defendants are privileged, will be kept strictly confidential, and may not be directly or indirectly disclosed to any other Person, unless disclosure is ordered by a Court. Further, absent a Court order, Class Counsel will not attribute any factual information obtained from the proffer to the Settling Defendants and/or Counsel for the Settling Defendants. Notwithstanding the foregoing, Class Counsel may: (i) use information obtained from the proffer in the prosecution of the Proceedings against the Non-Settling Defendants, including for the purpose of developing an allocation plan relating to any settlement or judgment proceeds, except the prosecution of any claims against the Releasees; and (ii) may rely on such information to certify that, to the best of Class Counsel's knowledge, information and belief, such information has evidentiary support or will likely have evidentiary support after reasonable opportunity for further investigation or discovery, but, absent a court order, the Plaintiffs shall not introduce any information from a proffer into the record or subpoena any Counsel for the Settling Defendants related to a proffer.

(4) At the request of Class Counsel, and at such time as Class Counsel and the Settling Defendants may reasonably agree, the Settling Defendants shall provide Class Counsel with a list of current or former officers, directors or employees (including their job titles and employer name) who were interviewed by any Government Entity, who testified before a grand jury in connection with the United States Department of Justice's investigation, or were disclosed to any Government Entity as having knowledge of alleged antitrust violations as to the Alleged Parts. Notwithstanding the foregoing, the Settling Defendants shall not be required to disclose to the Plaintiffs or to Class Counsel the specific Government Entities before which each current or former employee, director, or officer appeared or to which they were disclosed as having knowledge of alleged antitrust violations as to the Alleged Parts. Any contact of these individuals by Class Counsel permitted by this Settlement Agreement shall be through Counsel for the Settling Defendants.

(5) The Settling Defendants will make their best efforts to produce to Class Counsel on a rolling basis within two-hundred seventy (270) days after such request (or within sixty (60) days of the Effective Date, whichever is later): (i) any transactional sales data that was produced or

made available by the Settling Defendants in the U.S. Litigation, including pursuant to the terms of the U.S. Settlement Agreements; (ii) for Alleged Parts for which transactional sales data was not produced or made available by the Settling Defendants in the U.S. Litigation, existing and reasonably accessible transactional sales data related to sales of the Alleged Part between January 1, 1996 and December 31, 2013, based on the same criteria used to produce transactional sales data in the U.S. Litigation; and (iii) any pre-existing English translations of the foregoing transactional sales data. The Settling Defendants will use their best efforts to begin production of the foregoing transactional sales data as soon as reasonably possible after such request and agree to prioritize such productions to the extent practicable. In addition, after the Certification Date or at a time mutually agreed upon by the Parties, the Settling Defendants will consider in good faith any reasonable request by the Plaintiffs for additional transactional sales data (including English translations thereof, to the extent they exist), but only to the extent such transactional sales data currently exists and is reasonably accessible. In addition, to the extent reasonably requested by Class Counsel, and at such time as Class Counsel and the Settling Defendants may reasonably agree, the Settling Defendants agree to make reasonable efforts to provide:

- (a) an estimate of the Settling Defendants' sales of the Alleged Part(s) incorporated into Automotive Vehicles sold in Canada; and
 - (b) information contained in the Settling Defendants' global sales planning system, concerning the Automotive Vehicle makes and models sold into Canada that contained the Alleged Part(s) sold by the Settling Defendants; and
 - (c) reasonable assistance to Class Counsel in understanding the transactional sales data produced by the Settling Defendants, through Counsel for the Settling Defendants, including a reasonable number of written and/or telephonic communications with Class Counsel and/or the Plaintiffs' experts and between technical personnel.
- (6) After the Certification Date or at a time mutually agreed upon by the Parties, the Settling Defendants will consider in good faith any reasonable request by Class Counsel for existing and reasonably accessible transactional cost data (including English translations thereof, to the extent they exist) related to an Alleged Part. To the extent the Settling Defendants agree to provide transactional cost data and to the extent such data currently exists and is reasonably accessible,

the Settling Defendants will make reasonable best efforts to provide the foregoing data within one-hundred and twenty (120) days of the request or at a time mutually agreed upon by the Parties and will use their best efforts to begin production of the foregoing transactional cost data as soon as reasonably possible after such request and agree to prioritize such productions to the extent practicable. The Settling Defendants agree to make reasonable efforts to provide reasonable assistance to Class Counsel in understanding the transactional cost data produced by the Settling Defendants, through Counsel for the Settling Defendants, including a reasonable number of written and/or telephonic communications with Class Counsel and/or the Plaintiffs' experts and between technical personnel.

(7) Any data provided pursuant to Sections 4.1(5) and/or (6) shall be provided in Microsoft Excel format or such other format as the Parties may agree, acting reasonably.

(8) Within thirty (30) days from the Effective Date, or at a time mutually agreed upon by the Parties, the Settling Defendants shall provide electronic copies of any documents (as defined in Rule 30.01 of the Ontario *Rules of Civil Procedure*, RRO 1990, Reg 194) that were produced or made available by the Settling Defendants in the U.S. Litigation, including pursuant to the terms of the U.S. Settlement Agreements, and any pre-existing translations into English of those documents that were produced in the U.S. Litigation and any pre-existing and non-privileged electronic coding or metadata produced in the U.S. Litigation, related to any Alleged Part. In addition, where the documents previously produced in the U.S. Litigation contain bates stamps on their face, a field will be produced containing the corresponding bates stamps of the first page of each document. The obligation to produce documents shall be a continuing obligation to the extent additional documents are produced in the U.S. Litigation. The Settling Defendants will consider in good faith any reasonable further request by Class Counsel, following the Certification Date, to collect, and make available for inspection and copying, additional documents related to the Proceedings, provided the request would not impose an undue burden on the Settling Defendants.

(9) Subject to Sections 4.1(5) and (6), the Settling Defendants will have no obligation to collect, search, produce, or make available to the Plaintiffs any documents created on or after February 23, 2010, except that the Settling Defendants agree to produce certain documents that relate to the Settling Defendants' responses to requests for quotation and price-reduction requests

made after February 23, 2010, subject to reasonable limitations to be agreed upon by the Parties in subsequent meet and confer discussions.

(10) Within thirty (30) days from the Effective Date, or at a time mutually agreed upon by the Parties, the Settling Defendants shall provide to Class Counsel:

(a) electronic copies of transcripts and video recordings of all depositions or other testimony or declarations of current or former employees, officers or directors of the Releasees, including all exhibits or schedules thereto and any pre-existing translations into English of those transcripts or declarations, taken in the U.S. Litigation, but only to the extent permitted under the U.S. Protective Order. For greater certainty, and without limiting the generality of the foregoing, the Settling Defendants shall provide to Class Counsel copies of transcripts of the depositions of the seven individuals referenced in paragraph 11(b) of the plea agreement between DENSO Corporation and the United States of America (2:12-cr-20063-GCS-PJK, E.D. Mich., ECF No. 9); and

(b) electronic copies of any responses to written interrogatories by the Releasees in the U.S. Litigation, including all schedules thereto and any pre-existing translations into English of those responses produced to the plaintiffs in the U.S. Litigation.

(11) The obligation to produce materials pursuant to Section 4.1(10) shall be a continuing obligation to the extent additional depositions, declarations or responses take place or are provided in the U.S. Litigation. If the materials become available more than thirty (30) days from the Effective Date, the materials shall be provided within ten (10) days of becoming available. In addition, the documents to be produced pursuant to Section 4.1(10) shall be delivered as a separate production from the materials to be delivered pursuant to Section 4.1(6) or identified by bates number as part of the production of documents to be delivered pursuant to Section 4.1(6).

(12) The Settling Defendants shall not object to the Plaintiffs' participation in any future evidentiary proffers and/or interviews of the Settling Defendants' representatives that occur in the U.S. Litigation pursuant to the U.S. Settlement Agreements. The Settling Defendants shall,

where possible, provide notice to Class Counsel thirty (30) days before any such evidentiary proffer or interview of representatives of the Settling Defendants that occurs in the U.S. Litigation pursuant to the U.S. Settlement Agreements.

(13) In the event that any employee interviews provided for in the U.S. Settlement Agreements: (i) have already occurred; (ii) occur within six (6) months of the Effective Date, but Class Counsel is unable to attend or is not given reasonable advance notice of the time and location of the interviews; or (iii) do not occur within six (6) months of the Effective Date, the Settling Defendants shall, at the request of Class Counsel, upon at least thirty (30) days' notice, and subject to any legal restrictions, make reasonable efforts (not to include actual or threatened employee disciplinary action) to make available at a mutually convenient time individuals who are officers, directors and/or employees of the Settling Defendants at the time of the selection whom the Parties reasonably and in good faith believe have knowledge about the allegations in the Proceedings to provide information regarding the allegations raised in the Proceedings in a personal interview with Class Counsel and/or experts retained by Class Counsel. This obligation shall be limited to no more than five (5) individuals for interviews in respect of any particular Alleged Part. Such personal interviews shall take place at a location agreed upon by the Parties, acting reasonably, and shall not exceed one (1) business day or seven (7) hours for each interviewee. To the extent that the interviewee requests an interpreter, interviews shall be limited to a total of twelve (12) hours, which could occur over two (2) consecutive days at the request of the interviewee. Each interviewee shall be interviewed only once. Upon reasonable notice by Class Counsel, the Settling Defendants shall use reasonable efforts to make available by telephone the interviewee as set forth in this Section 4.1(13) to answer follow-up questions for a period not to exceed two (2) hours. Nothing in this provision shall prevent the Settling Defendants from objecting to the reasonableness of the identity and number of officers, directors and/or employees selected by Class Counsel to provide the cooperation referred to in this Section 4.1(13). The failure of a specific officer, director or employee to agree to make him or herself available, or to otherwise cooperate with the Plaintiffs, shall not constitute a violation of this Settlement Agreement. If any such interview takes place outside of the country of the interviewee's residence, Class Counsel shall reimburse the Settling Defendants for the interviewee's economy class fare and up to \$450 per day for lodging and expenses actually incurred. It is understood that the Settling Defendants may be unable to make available the seven

individuals referenced in paragraph 11(b) of the plea agreement between DENSO Corporation and the United States of America (2:12-cr-20063-GCS-PJK, E.D. Mich., ECF No. 9) or any individual who is no longer an officer, director or employee of any Settling Defendant.

(14) It is understood that the evidentiary proffers described in Section 4.1(3) and the evidentiary proffers and/or interviews of employees described in Section 4.1(12) might take place before the Effective Date. In such event:

- (a) any documents or information provided in the course of those evidentiary proffers and/or interviews shall be subject to the terms and protections of this Settlement Agreement; and
- (b) in the event that this Settlement Agreement is not approved, is terminated, or otherwise fails to take effect for any reason, the documents and information provided during the evidentiary proffers and/or interviews shall not be used by the Plaintiffs or Class Counsel, whether directly or indirectly, in any way for any reason, including against the Settling Defendants as an admission or evidence of any violation of any statute or law, or of any liability or wrongdoing by the Settling Defendants or of the truth of any claims or allegations in the Proceedings, and such information shall not be discoverable by any Person or treated as evidence of any kind, unless otherwise ordered by a Court. In order to give effect to this agreement, Class Counsel agrees to return all copies of any documents received during, and destroy all copies of any notes taken during (or subsequent reports provided about), these evidentiary proffers and/or interviews and to provide written confirmation to the Settling Defendants of having done so.

(15) Subject to the rules of evidence, any court order with respect to confidentiality and the other provisions of this Settlement Agreement, the Settling Defendants agree to use reasonable efforts (not to include actual or threatened employee disciplinary action) to produce at trial or otherwise in the Proceedings (including through affidavit evidence): (i) representatives qualified to establish for admission into evidence the Settling Defendants' transactional sales and costs data and other sales information provided pursuant to this Settlement Agreement (with Class Counsel using its best efforts to authenticate such data and/or information for use at trial or otherwise without use of a live witness); (ii) representatives qualified to establish for admission

into evidence any of the Settling Defendants' documents provided as cooperation pursuant to this Settlement Agreement that is reasonable and necessary for the prosecution of the Proceedings (with Class Counsel using its best efforts to authenticate documents for use at trial or otherwise without use of a live witness); and (iii) representatives qualified to establish for admission into evidence information provided pursuant to this Settlement Agreement. Class Counsel shall use all reasonable efforts to limit the number of witnesses. To the extent reasonably possible, a single witness will be used to authenticate data and documents and to provide information at trial or otherwise contemplated by this Section 4.1(15). Nothing in this provision shall prevent the Settling Defendants from objecting to the reasonableness of the identity and number of persons selected by Class Counsel to provide the cooperation referred to in this Section 4.1(15). The failure of a specific officer, director or employee to agree to make him or herself available, or to otherwise cooperate with the Plaintiffs, shall not constitute a violation of this Settlement Agreement. If any such testimony takes place outside of the country of the witness' residence, Class Counsel shall reimburse the Settling Defendants for such witness' economy class fare and up to \$450 per day for lodging and expenses actually incurred. It is understood that the Settling Defendants may be unable to make available the seven individuals referenced in paragraph 11(b) of the plea agreement between DENSO Corporation and the United States of America (2:12-cr-20063-GCS-PJK, E.D. Mich., ECF No. 9) or any individual who is no longer an officer, director or employee of any Settling Defendant.

(16) Nothing in this Settlement Agreement shall require, or shall be construed to require, the Settling Defendants or any representative or employee of the Settling Defendants to: (i) disclose or produce any documents or information prepared by or for Counsel for the Settling Defendants, or that is not within the possession, custody or control of the Settling Defendants; (ii) perform any act, including the transmittal or disclosure of any documents or information in breach of any order, regulatory directive, rule or law of this or any jurisdiction; (iii) disclose or produce any documents or information subject to solicitor-client privilege, litigation privilege, attorney work product doctrine, joint defence privilege or any other privilege, doctrine, or law; or (iii) disclose or produce any information or documents obtained on a privileged or co-operative basis from any party to any action or proceeding who is not a Releasee. The Settling Defendants are not required to create a privilege log.

(17) Should the Settling Defendants inadvertently disclose documents protected by solicitor-client privilege, litigation privilege, the attorney work product doctrine, any applicable privilege under foreign law, or whose disclosure is prohibited by any court order, foreign or domestic law, or by a Government Entity, such documents shall be promptly returned to the Settling Defendants and the documents and the information contained therein shall not be disclosed or used directly or indirectly, except with the express written permission of the Settling Defendants, and the production of such documents shall in no way be construed to have waived in any manner any privilege, doctrine, law, or protection attached to such documents.

(18) The Settling Defendants' obligations to cooperate as particularized in this Section 4.1 shall not be affected by the release provisions contained in this Settlement Agreement. Unless this Settlement Agreement is not approved, is terminated or otherwise fails to take effect for any reason, the Settling Defendants' obligations to provide cooperation with respect to any Alleged Part under this Settlement Agreement shall continue only until: (i) otherwise ordered by the Courts; or (ii) such time as a final judgment has been entered in the relevant Proceeding against all Defendants in that Proceeding (including as a result of any settlement, discontinuance and/or consent dismissal) and the time for appeal or to seek appeal from such final judgment has expired and no motion or other pleading has been filed with the relevant Court (or with any other court) seeking to set aside, enjoin, or in any way alter the entry of such final judgment or to toll the time for appeal of such final judgment or, if appealed, such final judgment has been affirmed in its entirety by the court of last resort to which such appeal has been taken and such affirmance has become no longer subject to further appeal or review. For greater certainty, the Plaintiffs' failure to strictly enforce any of the deadlines for the Settling Defendants to provide cooperation pursuant to this Section 4.1 is not a waiver of the cooperation rights granted by Section 4.1.

(19) Subject to Sections 4.1(20) and 4.1(21), the provisions set forth in this Section 4.1 are the exclusive means by which the Plaintiffs, Class Counsel and Settlement Class Members may obtain discovery or information or documents from the Releasees. The Plaintiffs, Class Counsel and Settlement Class Members agree that they shall not pursue any other means of discovery against, or seek to compel the evidence of, the Releasees, whether in Canada or elsewhere and whether under the rules or laws of this or any other Canadian or foreign jurisdiction.

(20) The Plaintiffs may exercise any rights they have to seek to obtain discovery in the Proceedings as against an officer, director and/or employee of the Settling Defendants put forward to participate in employee interviews, or to provide testimony at trial or otherwise pursuant to Section 4.1, if the current or former officer, director or employee of the Settling Defendants fails to cooperate in accordance with those Sections and the provisions of this Settlement Agreement. Notwithstanding the foregoing, Class Counsel shall not pursue any other means of discovery against, or seek to compel the evidence of the seven individuals referenced in paragraph 11(b) of the plea agreement between DENSO Corporation and the United States of America (2:12-cr-20063-GCS-PJK, E.D. Mich., ECF No. 9).

(21) In the event that the Settling Defendants materially breach this Section 4.1, the Plaintiffs may move before the Courts to enforce the terms of this Settlement Agreement.

(22) A material factor influencing the Settling Defendants' decision to execute this Settlement Agreement is their desire to limit the burden and expense of this litigation. Accordingly, Class Counsel agree to exercise good faith in seeking cooperation from the Settling Defendants, agree not to seek information that is unnecessary, cumulative or duplicative and agree otherwise to avoid imposing undue or unreasonable burdens or expense on the Settling Defendants.

(23) The Settling Defendants make no representation regarding and shall bear no liability with respect to the accuracy of any of the documents or information described in this Section 4.1, or that they have, can or will produce a complete set of any of the documents or information described in this Section 4.1, and the failure to do so shall not constitute a breach or violation of this Settlement Agreement.

4.2 Limits on Use of Documents and Information

(1) It is understood and agreed that all documents and information made available or provided by the Settling Defendants and/or Counsel for the Settling Defendants to the Plaintiffs and Class Counsel under this Settlement Agreement shall be used only in connection with the prosecution of the claims in the Proceedings, and shall not be used directly or indirectly for any other purpose, except to the extent that the documents or information are or become publicly available. The Plaintiffs and Class Counsel agree they will not disclose the documents and information provided by the Settling Defendants and/or Counsel for the Settling Defendants

beyond what is reasonably necessary for the prosecution of the Proceedings or as otherwise required by law, except to the extent that the documents or information were, are or become publicly available. Subject to the foregoing, Class Counsel shall take reasonable precautions to ensure and maintain the confidentiality of such documents and information, and of any work product of Class Counsel that discloses such documents and information. Notwithstanding the foregoing, in the Proceedings in which there is no BC Action and/or Quebec Action, Ontario Class Counsel may disclose such information and documents to Camp Fiorante Matthews Mogerman LLP and/or Siskinds Desmeules s.e.n.c.r.l., as applicable, to the extent that Camp Fiorante Matthews Mogerman LLP and/or Siskinds Desmeules s.e.n.c.r.l. are assisting Ontario Class Counsel in the prosecution of that Proceeding and Camp Fiorante Matthews Mogerman LLP and/or Siskinds Desmeules s.e.n.c.r.l. agree to keep such information confidential and only use it for the purpose of providing such assistance.

(2) If the Plaintiffs intend to produce or file with any Court any documents or other information provided by the Settling Defendants and/or Counsel for the Settling Defendants as cooperation under the Settlement Agreement (and such disclosure is not otherwise prohibited by the Settlement Agreement) which, at the time of being provided, were marked or designated by the Settling Defendants as “Confidential — Subject to Procedure Under Section 4.2 of the Settlement Agreement,” and there is not already a confidentiality order issued in the relevant Proceeding that applies to the documents and information provided as cooperation by the Settling Defendants, Class Counsel shall provide the Settling Defendants with an advance description of the documents or other information sought to be produced or filed at least thirty (30) days in advance of the proposed production or filing, in order that the Settling Defendants may move to obtain a sealing or confidentiality order or similar relief. If, within the thirty (30) day period, a Settling Defendant does not so move, the Plaintiffs and Class Counsel can produce or file the information or documents in the ordinary course. If, within that thirty (30) day period, a Settling Defendant so moves, the Plaintiffs and Class Counsel shall not produce or file the confidential information or documents until the earlier of: (i) one-hundred and ninety (190) days after being advised of such intention; or (ii) the Settling Defendants’ motion has been decided and all applicable appeal periods have expired. Notwithstanding the foregoing, the Plaintiffs and Class Counsel may, so as not to delay prosecution of the relevant Proceeding: (i) seek an interim sealing order pending the Settling Defendant’s motion and, if an interim sealing order is granted,

may file such documents or information with the relevant Court pursuant to such interim sealing order; or (ii) provide, on an interim basis, documents or information to counsel for the Non-Settling Defendants provided that counsel for the Non-Settling Defendants agree and give assurances that the documents or information will remain with external counsel and will only be disclosed to independent expert(s) retained by a Party for the purposes of the relevant Proceeding, as well as secretarial, clerical or other support personnel of such expert(s) to whom disclosure is reasonably necessary. An independent expert may not be an employee of a Plaintiff or Defendant in the relevant Proceeding or a competitor of the Settling Defendants. In addition, if a Settling Defendant intervenes for this purpose, the Plaintiffs and Class Counsel shall not oppose a motion to intervene made by the Settling Defendant(s) for this purpose, provided that the form and content of the requested order is similar in substance to the order issued by the Ontario Court in Ontario Superior Court of Justice Court File No. CV-12-44673700CP, dated July 15, 2015. In the BC Action, any application for a sealing order brought pursuant to this Section 4.2(2) shall comply with Practice Direction 35—Sealing Orders in Civil and Family Proceedings.

(3) In the event that a Person requests disclosure of documents or information provided by the Settling Defendants and/or Counsel for the Settling Defendants as cooperation under this Settlement Agreement which, at the time of being provided, were marked or designated by the Settling Defendants as “Confidential — Subject to Procedure Under Section 4.2 of the Settlement Agreement”, whether or not the Person applies for an order requiring the Plaintiffs to disclose or produce any documents or other information, and there is not already a confidentiality order issued in the relevant Proceeding(s) that applies to the documents and information provided as cooperation by the Settling Defendants, Class Counsel shall provide notice to the Settling Defendants promptly upon becoming aware of it in order that the Settling Defendants may intervene to oppose such disclosure or production. In no circumstances shall the Plaintiffs or Class Counsel apply for or consent to such an application for disclosure or production. The Plaintiffs and Class Counsel shall not disclose the confidential information or documents until the motion has been decided and a final order has been issued requiring production of such documents or information, except: (i) to the extent such information or documents are or become otherwise publicly available; (ii) as ordered to do so by a Court; and (iii) in the event that the Person making the request is a Non-Settling Defendant, so as not to

delay prosecution of the relevant Proceeding(s), Class Counsel may provide, on an interim basis, documents or information to counsel for the Non-Settling Defendants provided that counsel for the Non-Settling Defendants agree and give assurances that, until the Settling Defendants' motion has been decided and all applicable appeal periods have expired, the documents or information will remain with external counsel and will only be disclosed to independent expert(s) retained by a Party for the purposes of the relevant Proceeding(s), as well as secretarial, clerical or other support personnel of such expert(s) to whom disclosure is reasonably necessary. An independent expert may not be an employee of a Plaintiff or Defendant in the relevant Proceeding or a competitor of the Settling Defendants.

(4) In addition, until such a time as a confidentiality order is in place in one or more Proceedings that applies to the documents and information provided as cooperation by the Settling Defendants and except as otherwise provided for in this Section 4.2, Class Counsel shall treat any documents received from the Settling Defendants and designated as Confidential or Highly Confidential in accordance with the provisions of the U.S. Protective Order. Once a confidentiality or protective order(s) is issued in one or more Proceedings, that order(s) shall govern any documents and information received from the Settling Defendants in that Proceeding(s).

SECTION 5– OPTING OUT

5.1 Procedure

(1) If Settlement Class Members have not previously been afforded an opportunity to opt-out of one or more Proceedings, Class Counsel will seek approvals from the Courts of the following opt-out process as part of the orders certifying or authorizing the relevant Proceeding(s) as class proceedings for settlement purposes:

- (a) Persons seeking to opt-out of the relevant Proceedings must do so by sending a written election to opt-out, signed by the Person or the Person's designee, by pre-paid mail, courier, fax or email to Class Counsel at an address to be identified in the notice described in Section 11.1(1). Residents of Quebec seeking to opt-out of the relevant Quebec Actions must also send a written election to opt-out signed by the Person or the Person's designee, by pre-paid mail or courier, to the Quebec Court at an address to be identified in the notice described in Section 11.1(1).

- (b) An election to opt-out sent by mail or courier will only be valid if it is postmarked on or before the Opt-Out Deadline to the designated address in the notice described in Section 11.1(1). Where the postmark is not visible or legible, the election to opt-out shall be deemed to have been postmarked four (4) business days prior to the date that it is received by Class Counsel.
- (c) The written election to opt-out must contain the following information in order to be valid:
 - (i) the Person's full name, current address and telephone number;
 - (ii) if the Person seeking to opt-out is a corporation, the name of the corporation and the position of the Person submitting the request to opt-out on behalf of the corporation; and
 - (iii) a statement to the effect that the Person wishes to be excluded from the relevant Proceeding.
- (d) Any putative Settlement Class Member who validly opts-out of any of the Proceedings shall be excluded from such Proceedings and the applicable Settlement Class, and shall no longer participate or have the opportunity to participate in such Proceedings or to share in the distribution of any funds received as a result of a judgment or settlement in such Proceedings in the future.
- (e) Any putative Settlement Class Member who does not validly opt-out of a Proceeding in the manner and time prescribed above, shall be deemed to have elected to participate in that Proceeding and no further right to opt-out of that Proceeding will be provided in the future.
- (f) Quebec Class Members who have commenced actions or commence actions relating to the allegations made in a Proceeding or Proceedings and fail to discontinue such actions by the Opt-Out Deadline shall be deemed to have opted out of any such Proceedings. Quebec Counsel warrant and represent that, to the best of their knowledge, no such action has been commenced as of the Date of Execution.

(2) Within thirty (30) days of the Opt-Out Deadline, Class Counsel shall provide to the Settling Defendants a report containing the names of each Person who has validly and timely opted out of the Proceedings, the reasons for the opt-out, if known, and a summary of the information delivered by such Persons pursuant to this Section 5.1.

(3) With respect to any potential Settlement Class Member who validly opts-out of any of the Proceedings, the Settling Defendants reserve all of their legal rights and defences.

(4) The Plaintiffs through their respective Class Counsel expressly waive all rights to opt-out of the Proceedings.

SECTION 6– TERMINATION OF SETTLEMENT AGREEMENT

(2) The Plaintiffs and Settlement Class Members acknowledge that they may hereafter discover facts in addition to, or different from, those facts which they know or believe to be true regarding the subject matter of the Settlement Agreement, and it is their intention to release fully, finally and forever all Released Claims and, in furtherance of such intention, this release shall be and remain in effect notwithstanding the discovery or existence of additional or different facts.

(1) Upon the Effective Date, and notwithstanding Section 7.1, for any Settlement Class Members resident in any province or territory where the release of one tortfeasor is a release of all other tortfeasors, the Releasors do not release the Releasees but instead the Releasors covenant and undertake not to make any claim in any way or to threaten, commence, participate in or continue any proceeding in any jurisdiction against the Releasees in respect of or in relation to the Released Claims. For greater certainty, Section 7.1(3) continues to apply to residents of Quebec.

7.3 No Further Claims

(1) Upon the Effective Date, each Releasor shall not now or hereafter institute, continue, maintain, intervene in or assert, either directly or indirectly, whether in Canada or elsewhere, on their own behalf or on behalf of any class or any other Person, any proceeding, cause of action, claim or demand against any Releasee, or any other Person who may claim contribution or indemnity, or other claims over relief, from any Releasee, whether pursuant to the *Negligence Act*, RSO 1990, c N1 or other legislation or at common law or equity in respect of any Released Claim, except for the continuation of the Proceedings against the Non-Settling Defendants or named or unnamed co-conspirators that are not Releasees or, if any of the Proceedings are not certified or authorized with respect to the Non-Settling Defendants, the continuation of the claims asserted in any of the Proceedings on an individual basis or otherwise against any Non-Settling Defendant or named or unnamed co-conspirator that is not a Releasee. (2) Upon the Effective Date, all Other Actions commenced by any member of the Ontario or BC Settlement Classes in Ontario or British Columbia, as applicable, shall be dismissed as against the Releasees, without costs, with prejudice and without reservation, and Class Counsel shall: (i) at their cost, obtain orders from the Ontario and BC Courts confirming same in respect of all Other Actions commenced in British Columbia and Ontario, and (ii) if requested by the Settling Defendants, take the reasonably necessary steps to seek an order finally staying or dismissing or otherwise finally resolving any Other Actions commenced in a province other than British Columbia and Ontario.

7.6 Material Term

(1) The releases, covenants, dismissals, and granting of consent contemplated in this Section 7 shall be considered a material term of the Settlement Agreement and the failure of any Court to approve the releases, covenants, dismissals, and granting of consent contemplated herein shall give rise to a right of termination pursuant to Section 6.1 of the Settlement Agreement.

8.1 Ontario and British Columbia Bar Order

(1) The Plaintiffs, Class Counsel and the Settling Defendants agree that the Ontario and BC orders approving this Settlement Agreement must include a bar order from the Ontario Court and the BC Court providing for the following:

(1) Except as provided herein, this Settlement Agreement does not settle, compromise, release or limit in any way whatsoever any claim by the Releasers against any Person other than the Releasees.

8.4 Material Term

(1) The Parties acknowledge that the bar orders, waivers, renunciations of solidarity and reservations of rights contemplated in this Section 8 shall be considered a material term of the Settlement Agreement and the failure of any Court to approve the bar orders, waivers, renunciations of solidarity and reservations of rights contemplated herein shall give rise to a right of termination pursuant to Section 6.1 of the Settlement Agreement.

SECTION 9– EFFECT OF SETTLEMENT

9.1 No Admission of Liability

(1) The Plaintiffs and the Releasees expressly reserve all of their rights if the Settlement Agreement is not approved, is terminated, or otherwise fails to take effect for any reason. Further, whether or not the Settlement Agreement is finally approved, is terminated, or otherwise fails to take effect for any reason, this Settlement Agreement and anything contained herein, any and all negotiations, documents, discussions and proceedings associated with this Settlement Agreement, and any action taken to carry out this Settlement Agreement (including the certification or authorization of the Proceedings as against the Named Settling Defendants for settlement purposes), shall not be deemed, construed, or interpreted to be an admission of any violation of any statute or law, or of any wrongdoing or liability whatsoever by the Releasees, or of the truth of any of the claims or allegations contained in the Proceedings or any other actions against the Releasees.

**SCHEDULE “B”
ALLEGED PARTS**

| Part | Definition |
|--|--|
| Air Conditioning Systems | Air Conditioning Systems are systems that cool the interior environment of an Automotive Vehicle and are part of an Automotive Vehicle’s thermal system. An Air Conditioning System may include, to the extent included in the relevant request for quotation, compressors, condensers, HVAC units (blower motors, actuators, flaps, evaporators, heater cores, and filters embedded in a plastic housing), control panels, sensors, and associated hoses and pipes. |
| Air Flow Meters | Air Flow Meters, otherwise known as a mass air flow sensor, measure the volume of air flowing into combustible engines in Automotive Vehicles, that is, how much air is flowing through a valve or passageway. The Air Flow Meter provides information to the Automotive Vehicle’s electronic control unit in order to ensure that the proper ratio of fuel to air is being injected into the engine. |
| Alternators | Alternators are devices that charge an Automotive Vehicle’s battery and power the electrical system of an Automotive Vehicle when its engine is running. |
| Automotive Exhaust Systems | Automotive Exhaust Systems are an automotive system that collects exhaust gases from the engine and guides them out of the Automotive Vehicle. For the purpose of this Settlement Agreement, the term Automotive Exhaust Systems includes the following related components, to the extent included in the relevant request for quotation: manifolds, flex pipes, catalytic converters, converters, diesel oxidation catalysts, diesel particulate filters, oxygen sensors, exhaust gas temperature sensors, isolators, gaskets, clamps, resonator assemblies, pipe accessories, mufflers, muffler assemblies, and tubes. |
| Automatic Transmission Fluid Warmers and Oil Coolers | ATF Warmers are devices located within an Automotive Vehicle’s engine that improve fuel economy by warming transmission fluid to lower its viscosity, allowing the transmission fluid to flow more easily. For the purpose of this Settlement Agreement, the term ATF Warmers includes Oil Coolers. Oil Coolers are devices located within an Automotive Vehicle’s engine that that remove surplus heat from the engine oil. |
| Ceramic Substrates | Ceramic Substrates are uncoated ceramic monoliths (cylindrical or rectangular tubes) containing a fine mesh-like inner structure that runs the length of the tube. Ceramic Substrates are coated with a mix of metals and other chemicals and then incorporated into catalytic converters, which are installed in Automotive Vehicles. |
| Electronic Control Units | Electronic Control Units or ECUs are electronic modules that control one or more of the different electrical systems or sub-systems in an Automotive Vehicle. ECUs are different types of small computers with embedded software. For the purpose of this Settlement Agreement, ECUs excludes ECUs that were integrated into an automotive wire harness system and procured as part of a request for quotation for an automotive wire harness system. |
| Electronic Throttle Bodies | Electronic Throttle Bodies are a component of an electronic throttle control system in an Automotive Vehicle. Electronic Throttle Bodies control the volume of air flowing into the engine according to a signal from the engine control unit. |
| Fan Motors | Fan Motors are small electric motors that are used to turn radiator cooling fans in Automotive Vehicles. |
| Fuel Injection Systems | Fuel Injection Systems are systems that admit fuel or a fuel/air mixture into the engine cylinders of Automotive Vehicles. For the purposes of this Settlement Agreement, the term Fuel Injection Systems includes any of the components of such systems including, without limitation: injectors; high pressure pumps; rail assemblies; feed lines; fuel pumps and fuel pump modules. In some instances, Fuel Injection System components can also be sold as part of an Engine Management System. |
| Fuel Senders | Fuel Senders are devices located in the fuel tank of an Automotive Vehicle and measure the amount of fuel in the tank. Fuel Senders consist of a float, which is attached to a long metal rod attached to a variable resistor. |
| Heater Control Panels | Heater Control Panels are located in the centre console of an Automotive Vehicle. Heater Control Panels consist of operational panels incorporating buttons and switches which control the temperature of the interior environment of an Automotive Vehicle. |
| High Intensity Discharge Ballasts | HID Ballasts are electrical devices that limit the amount of electrical current flowing to a high intensity discharge headlamp installed in an Automotive Vehicle, which would otherwise rise to destructive levels due to the high intensity discharge headlamp’s negative resistance. |
| Ignition Coils | Ignition Coils are an induction coil in an Automotive Vehicle’s ignition system. Ignition Coils transform the low voltage of the Automotive Vehicle’s battery to the thousands of volts needed to create an electric spark in the spark plugs to ignite the fuel. |
| Instrument Panel Clusters | Instrument Panel Clusters, also known as meters, are the mounted array of instruments and gauges housed in front of the driver of an Automotive Vehicle. |

| Part | Definition |
|------------------------------|--|
| Inverters | Inverters provide power to motors by converting direct current (DC) electricity from an Automotive Vehicle’s battery to alternating current (AC) electricity. Every Automotive Vehicle with an electric traction motor requires Inverters to power them. The Inverter converts high voltage DC electricity into multi-phase AC current that drives the three-phase induction or permanent magnet electric machines used to actuate the motor in hybrid and electric Automotive Vehicles. |
| Motor Generators | Motor Generators are electric motors used to power electric drive systems that can also capture energy from the process of stopping an Automotive Vehicle to generate electricity through regenerative braking. |
| Oxygen Sensors | Oxygen Sensors detect the amount of oxygen in an Automotive Vehicle’s exhaust gases and sends a signal to the engine management computer or “engine control unit” which adjusts the air/fuel mixture to the optimal level. For the purposes of this Settlement Agreement, Oxygen Sensors includes air fuel ratio sensors (a type of “wideband” Oxygen Sensor). Air fuel ratio sensors are paired with a special interface circuit that will produce an electric current corresponding to the actual portion of exhaust gas/oxygen concentration enabling more precise control of the air/fuel ratio injected into the engine. |
| Power Window Motors | Power Window Motors are small electric motors that are used to raise and lower Automotive Vehicle windows. |
| Radiators | Radiator are devices that cool Automotive Vehicle engines and help prevent the engines from overheating. Radiators are a form of heat exchanger constructed from thin-walled tubes, and usually filled with a combination of water and antifreeze, which extracts heat from inside the engine block. Radiators indirectly expose coolant, heated by traveling through the engine block, to cool air as the vehicle moves. For the purposes of this Settlement Agreement, the term Radiators includes the following components, to the extent that they were procured as part of an assembly that includes a Radiator: fans, fan motors, hoses, pumps, covers, shrouds, thermostats, and expansion tanks. |
| Spark Plugs | Spark Plugs are an engine component in an Automotive Vehicle which deliver high electric voltage from the ignition system to the combustion chamber for an internal combustion engine.
